

June, 2010

Dear _____:

Welcome to the Taiwanese American Next Generation (TANG) Summer Camp and Conference 2010 at the University of Delaware from July 2 to July 5! Our theme this year is “Piecing Together the Future” which will explore the issues and importance of community. This year we are excited to be reunited with Taiwanese American Conference/East Coast (TAC/EC) for its 41st annual conference. However, TANG will be very much independent and separate from TAC/EC other than some inter-programming activities. The TANG Staff has worked hard to make this year especially enlightening and interesting with a full range of workshops and activities. If you haven’t already, start getting excited!

Your registration number is _____. Please remember to bring this letter with you to check-in at the Christiana Tower Common (between Christiana East and West Towers). Christiana Towers is located on Christiana Drive, off Pencader Way, near the conference center- John M. Clayton Hall. Check-in time is from 3pm to 10:30pm on July 2. If you arrive after 10:30pm, please call Thomas Yu (973-907-6308), Sulien Chen (908-432-2287) or Yen Chen (732-397-3483).

Conference Location (enclosed – directions and campus map):
University of Delaware, John M. Clayton Hall Conference Center
100 David Hollowell Drive (Renamed to Pencader Way), Newark, DE 19716.

If you are lost or have any questions, you may also call U. Delaware Conference Center supports: 800-823-2214 (Toll Free); 302-831-2214 (Local).

After registration, meet the TANG staff at Thomas McKean Hall to unpack your belongings. And be sure to give your parents a hug goodbye!

If there are any updates or changes about our programs, we will announce it on the website: <www.tangeneration.org> or send by email.

Notes:

- ❖ **Deposit checks - 2 separate checks will be required.** A key deposit of \$130 and a meal card deposit of \$35. Both checks should be made payable to TAC/EC. The checks will be returned to you when you check out on the last day. (Please note that each meal card has 9
